Staff Reports

Mr. Burkemper- Thank you to everyone who helped with choir concert, band concert, middle school festival and all marching band performances. It was a successful marching band season. IMEA festival is Nov 22 for the 6 who made it. This is the same day as the cheesecake delivery, so he will arrange the building calendar to make sure we can get it in to the school. (He will get the freezer key and put it in the booster mailbox.)

Introduced Danny Richard, who is a student observing from Wheaton College

Hoping to get pep bands in December due to BK being out for much of January.

Mrs. Johnson was sick

Treasurer's Report

Past month was first fundraiser is now entered, and also paid the bill for this. Last bill for equipment was also paid
\$43,238 is our current balance, Student balance is now \$29,329
A \$225.20 discount was given for our volume order from cheese/sausage, and was transferred to boosters.
Students made \$7,601 on this fundraiser

Attempting to transfer the student balance on the next transaction date in November – Bob Rogers, Candace, is ready to accept this money to post to the student accounts. If the student has money in their account and is going on the trip, it will go towards their payment for the Hawaii trip. Tim will need more details on how to transfer the money. Mark is keeping track of the cheesecake money and we are unsure of who is handling the citrus orders, but Mrs. Johnson does know.

Taxes are almost complete and should not require an extension.

Old Business

Zanies Night Update- 26 tickets sold, \$570 made so far- still have tickets for any last minute decisions.

Olive Garden Family Night tonight and tomorrow – manager will take the flier all day, from open to close, due to parent teacher conferences. Kim sent a blast email this week.

Trivia Night Update- still in planning stages, collecting raffle prizes, got 4 white sox tickets

Cheesecake/Fruit Fundraisers – Mark Pierce handling and must be turned in by Dec 6, no extensions this fundraiser because of trying to apply the student amounts to the next Hawaii trip payment. He will need a few volunteers – Kim & Dave Clark and John Haynes will help and will bring utility knife to help at 9am. 11a-1p to pick up orders on Nov 22, some people were calling to remind people to pick up last year and we plan to do this again.

New Business

Cancer kick on Dec 11-12 – coaches vs cancer, so band and choir will not be able to attend on Dec 11 due to the winter concert. Maybe be able to sing national anthem on December 12 game.

Donation to the raffle last year, but was not handled well, so unsure that we want to donate again this year.

Other Committee Reports - none
